The Bob DeVos Trio

Bob DeVos- Guitar
Dan Kostelnik-Hammond B3 Organ
Steve Johns-Drums

“A Powerhouse Trio that Delivers!”

With horn like, blues-drenched lines and a warm, fat sound, guitar master Bob DeVos has an enthusiastic following for his signature mix of groove and sophistication. Joined by ace band mates Dan Kostelnik on Hammond B-3 Organ and Steve Johns on drums, the trio's tight-knit performances of jazz standards, Rhythm & Blues, ballads, and Bob's hip compositions and arrangements thrill audiences nationwide. His recent HighNote/Savant Records releases were on the top ten jazz charts for 46 weeks & on many Top Ten CDs of the Year lists.

Critics hail Bob as “the thinking man's guitar hero,” “a brilliant, knowing bebop player” and dig his “infectious, funky groove.” As WBGO FM JazzRadio88.3's Gary Walker says, “Put Bob DeVos in a room with an organ trio and watch the paint peel off the walls....”

Bob has played with a who's who of jazz legends both in and outside of the Hammond B3 organ genre, including Richard “Groove” Holmes-Sonny Stitt, Jimmy McGriff-Hank Crawford, and The Charles Earland Band with Eric Alexander, as well as many modern players. In recent years he has performed at the Kennedy Center, the Blue Note, the Kitano, SMOKE, Dizzy's Club Coca Cola plus many national & international festivals.
